

Part 1 - Contributions

Financial (\$\$) Contributions – Named

The names and addresses of people or organizations that gave money to your campaign, and the amount of money they gave.

- ✓ If you know the name of anyone who gave money to your campaign, you must record it.
- ✓ \$2,500 is the maximum allowed per person or organization.
- ✓ The financial agent may issue a tax receipt to every eligible person or organization who contributed money.

Goods & Services Contributions

These are contributions your campaign received that was not money. You must reasonably estimate and record the market value of the goods and services.

- ✓ \$2500 in market value is the maximum allowed per person or organization, unless it is for transportation or accommodation services during the election.
- ✓ Volunteer labour is not considered a contribution, unless the volunteer would usually charge for the service they are providing the campaign.

Market value means what something would cost if you had to pay for it.

- If someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would normally have sold for would be their market value.
- If a company donates airline tickets or accommodations, the market value would be what that ticket or accommodation would normally have cost.
