

## Part 1 - Contributions

### Financial (\$\$) Contributions – Named

*The names and addresses of people or organizations that gave money to your campaign, and the amount of money they gave.*

- ✓ If you know the name of anyone who gave money to your campaign, you must record it.
- ✓ \$2,500 is the maximum allowed per person or organization.
- ✓ The financial agent may issue a tax receipt to every eligible person or organization who contributed money.

## Anonymous Financial (\$\$) Contributions

*This is money that came from people that you don't know who they were.*

- ✓ You can only receive a maximum of \$100 per anonymous contribution. If it is more than \$100, you must either find out who gave it to you and return it, or send it to the Chief Electoral Officer.
- ✓ The total combined limit for all anonymous contributions is \$2,500. Any amount over \$2,500 must be returned to the contributor or sent to the Chief Electoral Officer.

## Financial (\$\$) Contributions from the Candidate (Not Reimbursed)

*This is the amount of personal money the Candidate spent on the Campaign that was not reimbursed.*

- ✓ The candidate can contribute more than \$2,500 to their campaign.
- ✓ A candidate may only be issued a tax receipt to a maximum of \$2500, even if they contributed more.

## Goods & Services Contributions

These are contributions your campaign received that was not money. You must reasonably estimate and record the market value of the goods and services.

- ✓ \$2500 in market value is the maximum allowed per person or organization, unless it is for transportation or accommodation services during the election.
- ✓ Volunteer labour is not considered a contribution, unless the volunteer would usually charge for the service they are providing the campaign.

**Market value** means what something would cost if you had to pay for it.

- If someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would normally have sold for would be their market value.
- If a company donates airline tickets or accommodations, the market value would be what that ticket or accommodation would normally have cost.
