Goods & Services Contributions

These are contributions your campaign received that was not money. You must reasonably estimate and record the market value of the goods and services.

- ✓ \$2500 in market value is the maximum allowed per person or organization, unless it is for transportation or accommodation services during the election.
- ✓ Volunteer labour is not considered a contribution, unless the volunteer would usually charge for the service they are providing the campaign.

Market value means what something would cost if you had to pay for it.

- If someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would normally have sold for would be their market value.
- If a company donates airline tickets or accommodations, the market value would be what that ticket or accommodation would normally have cost.

REPORT OF CONTRIBUTION CAMPAIGN GATHERING

The financial agent must fill out a separate form for each campaign gathering.
This information will be included in your campaign financial return.

Name of Candidate: Jeff Ungalaq Mawrre	Constituency: SINAA
Date of Gathering: 22 October 2021	Location of Gathering: Elders' Centre

At a campaign gathering the financial agent or someone they appoint can collect financial contributions: anonymous and named contributions. The gathering may also provide goods and services contributions.

Anonymous contributions:

MUST be \$100 or less and anonymous.

Named contributions:

Each contributor that gives more than \$100 must give their name and address. Before the end of the post-election period, the financial agent provides a tax receipt for each named contribution.

Goods & Services:

The gathering may have a sponsor that contributes goods & services. For example, the sponsor may donate a room, pay for food and tea and coffee, or pay for music entertainment. Anything a sponsor donates or pays for, and does not get reimbursed, is a goods & services contribution.

The financial agent records the sponsor's name and address, and the market value of their goods and services contribution. The financial agent does NOT give a tax receipt for any goods & services contribution. On the campaign financial return, the financial agent reports goods & services contributions from a gathering the same way they report other goods & services contributions.
