## Goods & Services Contributions

These are contributions your campaign received that was not money. You must reasonably estimate and record the market value of the goods and services.

- ✓ \$2500 in market value is the maximum allowed per person or organization, unless it is for transportation or accommodation services during the election.
- ✓ Volunteer labour is not considered a contribution, unless the volunteer would usually charge for the service they are providing the campaign.

**Market value** means what something would cost if you had to pay for it.

- If someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would normally have sold for would be their market value.
- If a company donates airline tickets or accommodations, the market value would be what that ticket or accommodation would normally have cost.

Hi Elizabeth, Noah really needs the closed account copy to send to Kathy Karlik from elections Nunavut. Saw you on Friday morning to go and close it and I told you that Noah has until the 14th to send it to Kathy. I asked you if you can let us know by email if it has been closed and I can pick up the original to send off. I left a message on your voice-mail on Monday and I haven't heard anything yet.

Please let us know right away when it has been done and I will pick it up.

Thank you, Ineak
