Goods & Services Contributions

These are contributions your campaign received that was not money. You must reasonably estimate and record the market value of the goods and services.

- ✓ \$2500 in market value is the maximum allowed per person or organization, unless it is for transportation or accommodation services during the election.
- ✓ Volunteer labour is not considered a contribution, unless the volunteer would usually charge for the service they are providing the campaign.

Market value means what something would cost if you had to pay for it.

- If someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would normally have sold for would be their market value.
- If a company donates airline tickets or accommodations, the market value would be what that ticket or accommodation would normally have cost.

Hello, Cathy. Here's the record for the order. When you order it online, it gives no space to indicate someone else will be picking it up, so I will call them tomorrow and set that up. Tara is ready to go pick it up and send it. I'll keep you posted.

Hang in there. Will look at Facebook tomorrow and or tonight and if I can, will post the brochure.
