AUDITORS' REPORT ON THE CANDIDATE'S CAMPAIGN FINANCIAL RETURN PURSUANT TO THE *NUNAVUT ELECTIONS ACT*

To the Chief Electoral Officer

We have audited the candidate's Campaign Financial Return prepared in accordance with the accounting requirements of Part VII of the *Nunavut Elections Act* for the candidacy of Tatanniq Lucie, Idlout, a candidate in the election of a member to serve in the Legislative Assembly of Nunavut held on the 27th day of October, 2025 in the constituency of Iqaluit Niaqunnguu. This financial information is the responsibility of the financial agent for the candidate. Our responsibility is to express an opinion on this financial information based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the requirements of Section 181.1 of the *Nunavut Elections Act*. Generally accepted auditing standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit includes assessing the accounting principles used and significant estimates made by the financial agent of the candidate, as well as evaluating the overall presentation of the financial information. The *Act* does not, however, require us to report, nor was it practicable for us to determine, that the accounting records include all transactions relating to the candidacy of Tatanniq Lucie, Idlout. Due to the inherent nature of the transactions of electoral campaigns, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the campaign's accounting records.

In our opinion, the Campaign Financial Return of Tatanniq Lucie, Idlout presents fairly, in all material respects, the information contained in the financial records on which it is based except for as noted in the paragraph below in accordance with the accounting requirements of the *Nunavut Elections Act* and the accounting guidelines issued by Elections Nunavut.

Baker Tilly Arctic Inc. is a member of Baker Tilly Canada Cooperative, which is a member of the global network of Baker Tilly International Limited. All members of Baker Tilly Canada Cooperative and Baker Tilly International Limited are separate and independent legal entities.

We are unable to support the value of the tax receipt issued to the Candidate by the Financial Agent as required by paragraph 169(3) of the Nunavut Elections Act. The Financial agent issued a tax receipt for goods and services contributions of $2,475 not in accordance with the accounting guidelines issued by Elections Nunavut and Income Tax Act.

Goods & Services Contributions

These are contributions your campaign received that was not money. You must reasonably estimate and record the market value of the goods and services.

$2500 in market value is the maximum allowed per person or organization, unless it is for transportation or accommodation services during the election.

Volunteer labour is not considered a contribution, unless the volunteer would usually charge for the service they are providing the campaign.

Market value means what something would cost if you had to pay for it.

- If someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would normally have sold for would be their market value.
- If a company donates airline tickets or accommodations, the market value would be what that ticket or accommodation would normally have cost.
