**AUDITORS' REPORT ON THE CANDIDATE'S CAMPAIGN FINANCIAL RETURN
PURSUANT TO THE NUNAVUT ELECTIONS ACT**

To the Chief Electoral Officer

We have audited the candidate's Campaign Financial Return prepared in accordance with the accounting requirements of Part VII of the *Nunavut Elections Act* for the candidacy of Eva Ariak, a candidate in the election of a member to serve in the Legislative Assembly of Nunavut held on the 27th day of October, 2008 in the constituency of Iqaluit East. This financial information is the responsibility of the financial agent for the candidate. Our responsibility is to express an opinion on this financial information based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the requirements of Section 181.1 of the *Nunavut Elections Act*. Generally accepted auditing standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit includes assessing the accounting principles used and significant estimates made by the financial agent of the candidate, as well as evaluating the overall presentation of the financial information. The *Act* does not, however, require us to report, nor was it practicable for us to determine, that the accounting records include all transactions relating to the candidacy of Eva Ariak. Due to the inherent nature of the transactions of electoral campaigns, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these amounts was limited to the amounts recorded in the campaign's accounting records.

In our opinion, the Campaign Financial Return of Eva Ariak presents fairly, in all material respects, the information contained in the financial records on which it is based in accordance with the accounting requirements of the *Nunavut Elections Act* and the accounting guidelines issued by Elections Nunavut.

Report of Contributions from a Campaign Gathering

The financial agent fills out a separate form for each gathering - to record information about contributions made at that gathering. You need the information to complete the financial return – and attach a copy to it.

Constituency: /QALUIT EAST	Candidate: EVA AARIAK
Date of gathering: OCT 16 /08	Location of gathering: FRACAPTONS CENTRE

At a campaign gathering the financial agent or someone they appoint can collect financial contributions – anonymous contributions and named contributions. The gathering may also provide goods and services contributions.

- **Anonymous contributions.** Each contribution MUST be \$100 or less. Contributors do not give their name. On the campaign financial return the financial agent reports the anonymous contributions from a gathering as a total for that gathering.
- **Named contributions.** Each contributor gives their name and address. Each contributor that gives more than \$100 MUST give their name and address. On the campaign financial return the financial agent reports each named contribution from a gathering the same way they report all other named contributions. Before the end of the post election period the financial agent provides a tax receipt for each named contribution.
- **Goods and services contributions.** The gathering may have a sponsor that contributes goods and services. For example the sponsor may donate a room, pay for food and tea and coffee, or

pay for music entertainment. Anything the sponsor donates or pays for, and does not get reimbursed, is a goods and services contribution. The financial agent records the sponsor's name and address, and the market value of their goods and services contribution. The financial agent does NOT give a tax receipt for any goods and services contribution. On the campaign financial return the financial agent reports goods and services contributions from a gathering the same way they report other goods and services contributions.
