Report of Contributions from a Campaign Gathering

The financial agent fills out a separate form for each gathering - to record information about contributions made at that gathering. You need the information to complete the financial return – and attach a copy to it.

Constituency: <i>QALUIT EAST</i>	Candidate: <i>EVA AARIAK</i>
Date of gathering: <i>OCT 16 / 08</i>	Location of gathering: <i>FRACAPHOUS CENTRE</i>

At a campaign gathering the financial agent or someone they appoint can collect financial contributions – anonymous contributions and named contributions. The gathering may also provide goods and services contributions.

- **Anonymous contributions.** Each contribution **MUST** be \$100 or less. Contributors do not give their name. On the campaign financial return the financial agent reports the anonymous contributions from a gathering as a total for that gathering.
- **Named contributions.** Each contributor gives their name and address. Each contributor that gives more than \$100 **MUST** give their name and address. On the campaign financial return the financial agent reports each named contribution from a gathering the same way they report all other named contributions. Before the end of the post election period the financial agent provides a tax receipt for each named contribution.
- **Goods and services contributions.** The gathering may have a sponsor that contributes goods and services. For example the sponsor may donate a room, pay for food and tea and coffee, or

pay for music entertainment. Anything the sponsor donates or pays for, and does not get reimbursed, is a goods and services contribution. The financial agent records the sponsor's name and address, and the market value of their goods and services contribution. The financial agent does NOT give a tax receipt for any goods and services contribution. On the campaign financial return the financial agent reports goods and services contributions from a gathering the same way they report other goods and services contributions.
