# Report of Contributions from a Campaign Gathering

The financial agent MUST fill out a separate form for each campaign gathering—to record information about contributions made at that gathering. You need the information to complete the financial return.

Constituency:	Candidate:	
Whale Cove & Arviat North	Elizabeth Copland	
Date of gathering (yyyy/mm/dd): $2013   10   0 $	Gathering location: Arviat, NU	

At a campaign gathering the financial agent or someone they appoint can collect financial contributions: anonymous and named contributions. The gathering may also provide goods and services contributions.

Anonymous contributions: MUST be \$100 or less. Contributors do not give their name. On the campaign financial return the financial agent reports anonymous contributions from a gathering as a total for that gathering.

Named contributions: Each contributor gives their name and address. Each contributor that gives more than \$100 MUST give their name and address. On the campaign financial return the financial agent reports each named contribution from a gathering the same way they report all other named contributions. Before the end of the post-election period the financial agent provides a tax receipt for each named contribution.

Goods and services: The gathering may have a sponsor that contributes goods and services. For example the sponsor may donate a room, pay for food and tea and coffee, or pay for music entertainment. Anything the sponsor donates or pays for, and does not get reimbursed, is a goods and services contribution. The financial agent records the sponsor's name and address, and the market value of their goods and services contribution. The financial agent does NOT give a tax receipt for any goods and services contribution. On the campaign financial return the financial agent reports goods and services contributions from a gathering the same way they report other goods and services contributions.

#### **Named Contributions**

Record each named contribution from the campaign gathering on the campaign financial return the same way you record all other named contributions.
