**The financial agent must fill out a separate form for each campaign gathering.
This information will be included in your campaign financial return.**

Name of Candidate:	Constituency:
Date of Gathering:	Location of Gathering:
<p>At a campaign gathering the financial agent or someone they appoint can collect financial contributions: anonymous and named contributions. The gathering may also provide goods and services contributions.</p> <p>Anonymous contributions: MUST be \$100 or less and anonymous.</p> <p>Named contributions: Each contributor that gives more than \$100 <u>must</u> give their name and address. Before the end of the post-election period, the financial agent provides a tax receipt for each named contribution.</p> <p>Goods & Services: The gathering may have a sponsor that contributes goods & services. For example, the sponsor may donate a room, pay for food and tea and coffee, or pay for music entertainment. Anything a sponsor donates or pays for, and does not get reimbursed, is a goods & services contribution. The financial agent records the sponsor's name and address, and the market value of their goods and services contribution. The financial agent does NOT give a tax receipt for any goods & services contribution. On the campaign financial return, the financial agent reports goods & services contributions from a gathering the same way they report other goods & services contributions.</p>

Market value means what something would cost if you had to pay for it. For example, if someone donates a pair of mitts that you use as a door prize for your campaign gathering, the price those mitts would have regularly sold for would be their *market value*.
