### Serial numbers of tax receipts the financial agent receives

From:	To:
<i>0781</i>	<i>0785</i>

## Report of Contributions from a Campaign Gathering

The financial agent **MUST** fill out a separate form for each campaign gathering—to record information about contributions made at that gathering. You need the information to complete the financial return.

<b>Constituency:</b> ARVIAT NORTH / WHALE	<b>Candidate:</b> AMAUYAK NETSER
<b>Date of gathering (yyyy/mm/dd):</b> 2013 / 10 / 19	<b>Gathering location:</b> ARVIAT COMMUNITY HALL

At a campaign gathering the financial agent or someone they appoint can collect financial contributions: anonymous and named contributions. The gathering may also provide goods and services contributions.

**Anonymous contributions:** MUST be \$100 or less. Contributors do not give their name. On the campaign financial return the financial agent reports anonymous contributions from a gathering as a total for that gathering.

**Named contributions:** Each contributor gives their name and address. Each contributor that gives more than \$100 MUST give their name and address. On the campaign financial return the financial agent reports each named contribution from a gathering the same way they report all other named contributions. Before the end of the post-election period the financial agent provides a tax receipt for each named contribution.

**Goods and services:** The gathering may have a sponsor that contributes goods and services. For example the sponsor may donate a room, pay for food and tea and coffee, or pay for music entertainment. Anything the sponsor donates or pays for, and does not get reimbursed, is a goods and services contribution. The financial agent records the sponsor's name and address, and the market value of their goods and services contribution. The financial agent does NOT give a tax receipt for any goods and services contribution. On the campaign financial return the financial agent reports goods and services contributions from a gathering the same way they report other goods and services contributions.

**Named Contributions**

Record each named contribution from the campaign gathering on the campaign financial return the same way you record all other named contributions.
